

## Weekly Progress Report: IdeaForge AI

### Course Code : CSE299 | Sec : 3

**Project Group No: 2**

**Group Members:**

Hrick Romit (2322136642)

Adib Araf Sabab (2322163042)

Yoshiki Zaman (2311806042)

Imtiaz Ahmed Khan (2323985642)

---

## Week 6: Admin portal and submission

Sprint Goal: Setting up the admin portal and connecting the student to the faculty.

### Planned Objectives

| Member                              | Role              | Weekly Objectives                                                                       |
|-------------------------------------|-------------------|-----------------------------------------------------------------------------------------|
| Yoshiki Zaman<br>ID: 2311806042     | FE-Student        | Redesigning the UI to make every click functional                                       |
| Adib Araf Sabab<br>ID: 2322163042   | FE-Faculty/Admin  | Properly functioning of Project Dossier and Reviewing and adding AI chatbot for faculty |
| Imtiaz Ahmen Khan<br>ID: 2323985642 | Backend Developer | Completing the Admin Portal Backend Setup .                                             |
| Hrick Romit<br>ID: 2322136642       | AI/Tech Lead      | Completing submission And similarity feature                                            |

## Progress Summary

- **Work Completed:**
  - The student can submit his proposal to the faculty
  - The student can check his project similarity with archive
  - The admin portal has been set up
- **Challenges Encountered:**
  - Properly helping the student to submit his proposal to the faculty
  - Being able to compare the project to past projects
- **Proposed Solutions:**
  - Using a json file to save in the postgres and its visible in the faculty page
- **Overall Status:**
  - The main functionality of the project is complete.

## Detailed Weekly Log

**Member 1:** Yoshiki Zaman worked to modify the student and faculty portal of the project, making separate login pages for added security.

**Member 2:** Adib Araf Sabab improved the project reviewing and made the Faculty portal more user friendly and organized by adding an AI chatbot .

**Member 3:** Imtiaz Ahmed Khan worked on completing the API integration and deployment. The Student portal's Archive Search system bugs have been fixed by him as well.

**Member 4:** Hrick Romit Barai finished connecting the student to the faculty by letting the student submit his proposal to the faculty.

**Report Date:** Aug 10, 2026
